INFORMATION REQUIRED	COMMENTS BY CAB	
1. How many laboratory personnel either internal or external that could influence the laboratory activities are currently in your employ?	Number Technical Signatories:	Two
	Number Analysts / Technicians:	Three
	Number Internal Auditors:	Two
	Sample preparation Personnel:	Three
	Other:	
2. Since SANAS last visit, were there major changes that happened? For example: Changes with management system, Key personnel (e.g., nominated representative, technical signatories, analysts), Equipment, Locations etc.	This is an initial assessment, there were deficiencies recorded and communicated to the lab (F48 and F49). Correction have been submitted SANAS mid-Feb. Therefore there are major changes with management and technical system and we've lost one analyst due to that the contract reached the end of term.	
3. Do you use the services of consultant(s) for the administration or running of your management system?	Yes [ ] No [X]
