TO WHOM IT MAY CONCERN

This is to confirm that Ms K MALEKA (Student No 220000088) is studying towards her Diploma in Analytical Chemistry and is currently registered as a student at the University of Johannesburg.

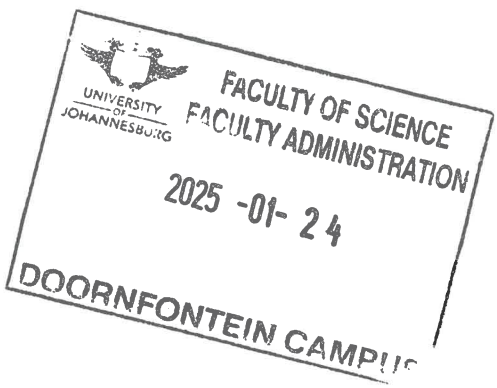

Ms K MALEKA requires six-months of work-integrated learning to graduate. Please note that work-integrated learning (WIL) was formerly called experiential learning or in-service training or P1.

UJ WIL students can sign a 12-month contract.

Please contact me if you need any further information.

Regards

LMackechnie.
